

**User Groups of Town Land and Lakes  
Comment Session  
April 15, 2004**

Attendees:

- Madison Retriever Club
- Oregon Sportsman's Club
- The Nature Conservancy (written comments)

The clubs said they were happy with the town and its land use, and did not have any suggestions or concerns about the comprehensive planning process.

The Nature Conservancy wrote that, "An important goal of the land use plan should be to look at water quality issues and how land use planning can minimize threats to the high quality wetlands in the Town".
