June 6, 2023

\*\*\*\* NOTICE OF ROAD CONSTRUCTION\*\*\*\*

Weather dependent, the Town of Dunn anticipates beginning road construction around your neighborhood on June 12<sup>th</sup>. The project includes the following roads:

***Brian St, Bruce Parkway, Maple Dr, Maya Ct, Oak St, Orchard St, Scott Ln, and Thomas Ln.***

Please plan accordingly for possible delays as these roads may be closed to thru traffic from time to time. This construction project will not affect mail, parcel delivery, emergency services, or garbage pickup. **Please place garbage and recycling carts in your driveway apron so that they will not interfere with this project.**

Starting the week of July 12<sup>th</sup>, manhole risers will be installed and cement or asphalt driveway aprons will be cut and/or milled so the new road surface and the driveways can meet properly.

During the week of June 19<sup>th</sup>, a 2-inch paved overlay will begin. This surface will need a few days to harden before shouldering can be completed.

Due to the 2-inch increase in road height, **all property owners will need to adjust their mailboxes to be in compliance with the Town of Dunn's Mailbox Policy within 60 days of this notice.** This Mailbox Policy specifies mailbox placement and installation dimensions above and off the road surface to ensure the safety of the mail carrier, the motoring public and help mitigate issues during road maintenance and snow removal operations. Copies of the Mailbox Policy are available at the Town Hall and are also available on the Town of Dunn website at:

[www.townofdunnwi.gov/policies](http://www.townofdunnwi.gov/policies)

For additional and updated information please check the Town of Dunn website at:

[www.townofdunnwi.gov/announcements](http://www.townofdunnwi.gov/announcements)

Please feel free to contact me if you have any questions or concerns.
