Purchase of Development Rights (PDR)
Pre-Application Form

Pre-applications are welcome any time, but please return this form by January 1st to be considered for the upcoming funding cycle.

Please complete the following "pre-application" form if you are interested in participating in the Town of Dunn's PDR program. Completion of this form in no way commits you to selling your development rights to the town. However, if you wish to be considered in the next round of PDR negotiations, you must send a completed form to the Town Hall.

Please fill out as much of the following information as possible. You will be contacted by the Land Trust Commission, which oversees the PDR program, to discuss your interest in the PDR program and to go over the specific features of your land. Once the Land Trust Commission has reviewed all applications, the applications will be ranked using objective criteria. Ranking criteria include such factors as: quality of farmland; development pressure; and natural, historical or archaeological features. Because funds for the PDR program are limited, applications that rank highest will receive consideration first.
