

Town of Dunn
Public Participation Procedures
(approved by Town Board 7/21/03)

- Website: The Town's website will be used to publicize and promote the planning process, provide information on upcoming meetings, and supply the minutes of meetings and other participation techniques.
- Newsletter: The Town's newsletter will provide updates on the planning process and publicize meetings. Also, articles explaining the Town's planning process and public participation procedures will be published.
- Focus Groups: To help develop questions for the community survey and to get in-depth input on issues in the Town. The focus groups are also an opportunity to provide education to town residents on the smart growth planning process and its benefits. Possible focus groups include: lake residents, subdivision residents, trailer park residents, Goodland Park residents, farmers, youth, elderly.
- Community Survey: To assess the public's attitudes and opinions on the Town's quality of life, PDR program, future of the Town, etc. The survey results will be made available to the community on the Town's webpage.
- Community Vision Workshop: To discuss and develop a range of planning ideas generated by Town residents. Primary interests and goals will result from the process and will be used to guide the Town's Land Use Plan. A summary of the workshop will be made available on the webpage.
- Draft Plan Open House: To present the draft version of the new Land Use Plan to the community, and to obtain feedback and input from the community on the draft.
- *Opportunity for written comment: Notice of the opportunity for written comment on the draft plan will be posted on the webpage and in the Town newsletter. Response to written public comments will be as follows:
 - o Forward of comments to Plan Commission for review and recommend Town Board action
 - o Town Board sends written comments in response
- *Formal Public Hearing: The Town will hold a public hearing on the ordinance to adopt the Land Use Plan. All members of the public will have a chance to voice comments on the plan. The public hearing will be noticed (class 1 notice under ch. 985) in three places (Christy's Landing, Quick Stop and Town Hall). [Final formal opportunity for public comment before the ordinance is adopted]
